Chapter 1:
Tensaiji
第一章 天才児
TL Note: Tensaiji – Child Prodigy
Checkmate
It seems you've lost to Kato-senpai again
HaHa
Shut up Chisato !
Give me another round !!!
Krrrr
I'm very sorry Sensei
Grumble
There's a meeting at the school today
I don't want to be late
That's right...
For a youth like you, an old man like me is....
When did he go and sit there?
SFX: Stare

I'm really sorry
I'll come and visit again the next time I'm free
Take care of him, Chisato
Leave it to me
Well then let's get moving, Mihoko
Yes
Whoosh
Kato-sensei
SFX: Thud*2
In the past...
Lord Shirai used to be teacher at Miyazaki School, is that correct?

That's right
But that's a story from the distant past... he probably wants to spend his remaining years in relative peace
It's such a shame
It's not anything we can do
Clink
Gah
Clink
That level of skill...
Clink

Those are Fukuda's men
Clink
Whoosh
Hack
Ack
Slash!
Why is that man being targeted by Fukuda's men?
Clink Clink

Clink
Clink
Curse you
Haa
Haa
Haa
SFX: Shink*2
SFX: Clang
Flink
Flink
Whoosh
Glong
Glong
What the...!?

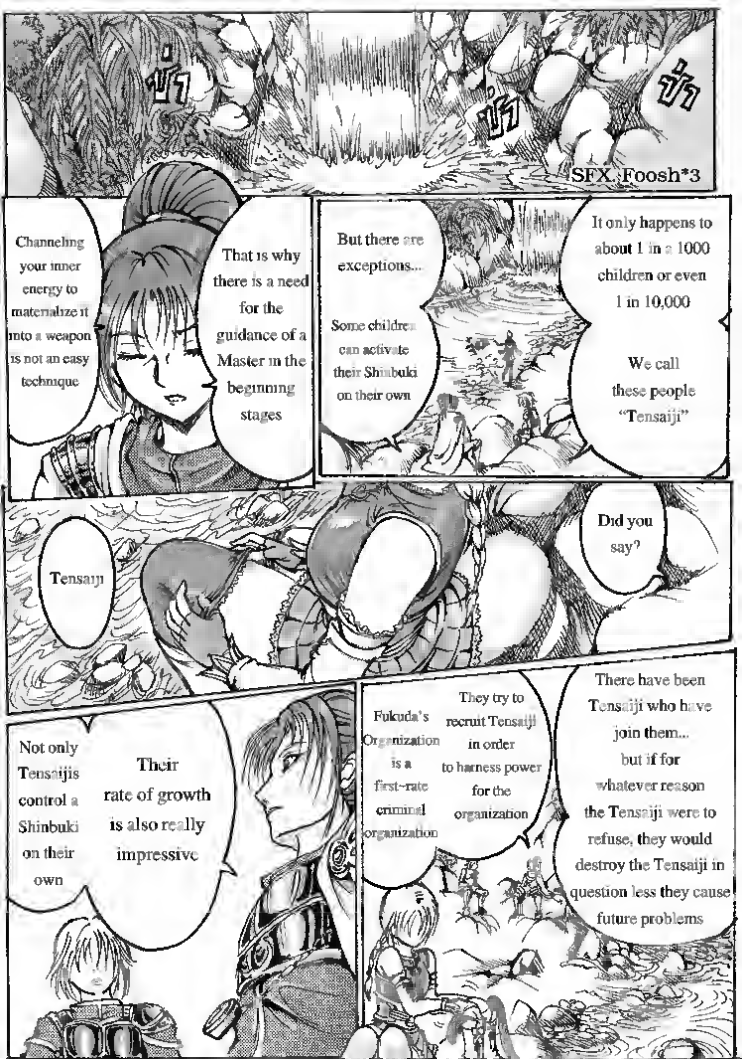
Urgh
SFX: Slam
!!
Pow
SFX: Whoosh

Argh
Slash
SFX: Whirr *2
ฟิ้ว
ฟิ้ว
!!
ตุบ
SFX: Slam
Ah
ก๊อบ
SFX: Crack

You
Are you okay?
SFX: Voom*3
Y- Yeah Thank you
Young man
SFX: Voom*3
Looking at the level of your Shinbuki*
It seems you're a middle-level student
There should be no reason for you to be targeted by Fukuda's organization
TL Note: Shinbuki – True Weapon
Be- sides
P- Please wait!
What are you talking about!?
Shinbuki?
And also about Fukuda's organization?
I don't understand what you are talking about!
What?

You can control Shinbuki without knowing what it is?
Control
?
Shinbuki
...
Shinbuki will differ from each other
Depending on the user's state of mind
剣
弓
刀
棍
杖
槍
斧
心
Shinbuki is the art of channeling your inner energy into your surroundings
And materializing it as a weapon
The long sword that you were using
大剣
That was a Shinbuki
I see
So this is what the city-folks call it
Haha, I'm just a wandering mercenary so this is the first time I've heard of the term
Wander-ing...
Are you not affiliated with any school?
School ??
I get hired on a day by day basis
I don't even have money to attend any school
If that's the case
Then someone
Must have taught you how to wield the Shinbuki am I correct?

I don't have any teacher
Many years ago when I was collecting fruits in the forest
I ran into a wild tiger
At the moment when I thought I'd die
My long sword suddenly appeared and it saved my life
Later, I tried to train myself in its use
And have been using it ever since
You!! Don't talk nonsense
Thud
Every student has got to have a teacher to taught them the art of wielding Shinbuki
Unless you're a Tensai...
!!
Gasp
Sensei
Could it be...
Hmm
It seems
Woosh
Woosh
We're standing in front of a real Tensaiji



SFX. Foosh*3
It only happens to about 1 in a 1000 children or even 1 in 10,000
We call these people "Tensaiji"
But there are exceptions...
Some children can activate their Shinbuki on their own
Channeling your inner energy to materialize it into a weapon is not an easy technique
That is why there is a need for the guidance of a Master in the beginning stages
Did you say?
Tensaiji
There have been Tensaiji who have join them... but if for whatever reason the Tensaiji were to refuse, they would destroy the Tensaiji in question less they cause future problems
They try to recruit Tensaiji in order to harness power for the organization
Fukuda's Organization is a first-rate criminal organization
Their rate of growth is also really impressive
Not only Tensaijis control a Shinbuki on their own

It looks like
Drip
You are one of those Tensaiji
That the organization has given up on
So that's how it is
The organization is bound to send more people
Splash
Splash
If you continue to stay here... you will die for sure
So where can I go from here?
Jobs are also hard to find...
Scratch
No problem
Tensaijis are lusted after by everybody
Come with us
Whether it be rent or expenses
I'll take care of everything, including your admission to Miyazaki School
Good people really exist!
Alright! Staying here is not safe anyways
What a quick answer
Good
Let's get moving
Mihoko
We're leaving
Yes

Woah
City is really developed! Look at all the shops!
What a tall building!
Can you quietdown
This is so embarrassing
Finally
We're here
宮崎學校
Sign: Miyazaki School
Miyazaki Schooi
宮崎學校
Woah

I need to go to a meeting
And then I'll hand in your admission papers, I don't think it"'ll be a problem
Mihoko
Fill in his form with him
Give him a tour and then show him the dorms
E– Eh?
Why does it have to be me !?
Haha
That's because
Mihoko is the cutest after all
Gweeze~
See ya
P– Please wait
Fast walk
SFX: Thud*3
It's always like this
Talking nonsense all the time
SFX: Boohoo
And this...
He He
I have to babysit this country –bumpkin
For the whole day...

You
Can't even read?
Yeah
Then just answer my questions
First off
What's your full name?
Me?
Souma Kenichi
Flip
You don't have to shout
Souma
Ken-ichi
Scratch
Erm
What about you?
I told you to answer, not ask questions
Erm
But I don't know your name yet
Alright, alright
I'm Noda Miboko
No more questions
Next, your parent's names?
I don't know. I'm an orphan
Birth-day
Don't know
What do you know?

Phew
Finally done
Now then
I'll hand this in
And let's go tour the school
Sigh
Osu!!
Here
It'll be a long walk
So have some refreshments
This looks good, what is it?
Just normal fruit juice
Tadah
Swizzle
SO GOOD !!
Chatter
Chatter
Can you swallow and then talk?
Well then
We'll start from the back of the school

Whoosh
Woah
!!
Whose house is this? So friggin' big!!
Don't shout around here!
Hrmph
This is government building, not someone's house
Whoosh
. . .

This is the students' dorms
The rooms might be a little small
But at least it's better than sleeping in the woods
And that is our school's uniform
There are different designs but, I thought you wouldn't care so I picked one for you
Yeah
It's not a problem
Tomorrow morning go to the central classroom that I showed you today See you then
I'm off
W– Wait
What is it? I'm tired
Erm
How should I say
I'm not really good at this
But

Ever since I was born... nobody has been this kind to me
Thank you ...
Mihoko
Y- Yeah
Stop chattering !
Just go to sleep!
Wah!
翌日
The Next Day
中心教室
In the end I couldn't sleep
Woah! So this is the classroom!?
SFX: Slide
Sign : Centr l Classroom

So that is
Souma Kenichi, huh?
He's always so loud
It's embarrassing
So that is the Tensaiji
The person Kato-sensei recommended himself!
I wonder how strong he is
Wanna ?
Yeah

There are so many people
How am I going to find Mihoko like this?
Pr
Dm
!
Crackle
Woah
Whoosh
Clank
Krrrrr
Hey, that was a pretty quick summoning of your Shinbuki

Krrr
Krrr
Krrr
What a coincidence
That we wield the same type of Shinbuki
It seems I'll have to give you special treatment
What special treatment!?
Attacking from behind...
Are you trying to kill me!?
Cheh
Even so—
This guy's Shinbuki is pretty strong
